

## **Invitation - Study Trip to Switzerland**

### **Procedures and Practices of Modern Direct Democracy, June 10 - 15, 2010**

Dear Mr. Woodcock:

We are contacting you on behalf of the Swiss Confederation to cordially invite you to participate in an upcoming study briefing tour to Switzerland highlighting **the Procedures and Practices of Modern Direct Democracy, from June 10 - 15, 2010.**

This exclusive trip offers twelve carefully selected participants from US academia, government, media and the private sector the unique opportunity to get a first hand experience of the practical use of the initiative and referendum process in Europe and Switzerland.

Switzerland was the inspiration for American reformers who a century ago introduced initiative and referendum across the United States. Here the Swiss continue to use the initiative and the referendum on all political levels, fine-tuning the process to respond to new challenges. On this tour you will meet some of the most experienced I&R practitioners in the world, and see and experience direct democracy first hand. You'll also learn more about the future of direct democracy in Europe, which is in the process of establishing the world's first transnational direct democracy procedure -- the European Citizens' Initiative.

Your extensive background in the field of initiatives and referendums, as well as your excellence in promoting citizens friendly solutions make you an excellent candidate in our efforts to connect the dots between Switzerland and North America in the important realm of modern direct democracy. We would be honored if you accepted our invitation.

The preliminary program is attached along a registration form, which you are asked to sent back asap to the organizer of the tour, IRI Europe president Bruno Kaufmann: [kaufmann@iri-europe.org](mailto:kaufmann@iri-europe.org).

The cost of this trip within Switzerland will be covered by the Swiss Confederation, represented by IRI Europe. You are however invited to make and organize your own way to and from Switzerland with a latest arrival time on June 10 at 2 pm at Zurich Airport and the earliest departure time on June 15 at 4 pm from Zurich again. If you should need a contribution to the air ticket please contact Bruno Kaufmann to discuss this asap.

We kindly ask you to RSVP by **Friday, April 30, 2010.**

With best regards,

Pascal Prinz
